“ I am so sorry to hear of Linda "Mom" McCoy's passing. She was a wonderful lady who had a heart of gold. It was an honor to have known her. My sympathy goes out to her "kids" and grandchildren as well as all the others that were fortunate to have known and loved her. I still have the book she signed and gave to me.

“ Was so sorry to hear of Linda's passing. We hadn't seen each other in years but always thought we'd get together sometime. We spent a lot of time together as kids and had many good memories. Sincere sympathy to her family from my sister, Gloria Jean and me

“ Though I knew Linda only briefly, she touched my heart and will always be remembered for her reaction and inner spark when I went to visit every Wednesday with Tucker (german shepherd/therapy dog). She always perked up and would reach out to Tucker with a smile and kind touch when we would visit, no matter how rough her day may have been or how awful she may have been feeling. She will be missed as we make our rounds to the residents of Rest Haven. Her and Tucker had a connection and I am sure that he will forever look to her room for her and search her out during our visits there. She will forever live on in our hearts, thoughts and prayers. She was a very special lady!
