“ Kathy-it was difficult to hear that Lonnie had passed. I always enjoyed our spirited conversations about politics and religion. Lonnie was a wonderful friend and always talked lovingly about you and his whole family. The world will miss such a vibrant character. May God and your faith lead you through this difficult time.

“ Kathy - was so surprised to read of Lonnie's passing. It also brought back many good memories of working together at Berg Electronics. May your faith, family and many friends bring comfort to you and your family in the days ahead.
